Past - Present - Future Night

Monday, December 29 ♦ Approximately 6:00 PM

The Diamond State Classic will be honoring its past, recognizing the present and celebrating the future on Monday, December 29, 2014 with its first-ever "Past—Present—Future Night."

At 6:00 PM, the future of the Diamond State Classic will take the court as players from the Wilmington Tigers AAU basketball 5th, 6th, and 7th grade teams showcase their talents for the crowd. They will be supported on the sidelines by the greats of past Diamond State Classics as the tournament welcomes back former players of the past 23 years for an evening of fellowship and fun. Of course, this will all be complemented by the outstanding players of today who will battle for Diamond State Classic glory in Day 3 of the nationally recognized tournament.

If you are a former player who participated in the Diamond State Classic since its inception in 1991, we hope that you will be able to join us on December 29 and ask that you pre-register by sending an email reply to DSCbasketball@aol.com by December 26. More details on the event and festivities will be provided to those that register as they become available.

In further celebration of the stars of tomorrow, the Diamond State Classic encourages CYM and other youth teams (8th grade and under) to attend in uniform for this special event.

All teams in attendance will be recognized during the "Past-Present-Future Night" festivities. If a youth team coach knows his or her team is planning to attend, we ask that you please send an email in advance with team name and coach contact information to DSCbasketball@aol.com by December 26. Youth 12 and under always receive free admission to the Diamond State Classic. Players from youth teams older than 12 (8th grade and under) in uniform will be admitted free of charge on December 29 as well.

The Diamond State Classic is pleased to recognize the outstanding women who have graced the courts of Delaware over the past few decades and looks forward to welcoming the next generation of females to Delaware high school basketball.
